The Autodesk Education team hereby congratulates

Marta Borghini

for successfully completing the Autodesk Building Performance Analysis Certificate.

The recipient is now better prepared to apply building science concepts in the creation of high-performance buildings and put that knowledge into practice with Autodesk software.

BPAC v1.0 - August 2013

TOPICS: Intro to BPA, Climate, Energy Literacy
Sun and Shadows, Solar Radiation, Whole
Building Energy Analysis, Airflow, Daylighting

SOFTWARE: Autodesk Revit, Vasari, GBS
